*Lucknow, 5th November* 1861.

*Notification.*—This day, Tuesday, at 1 o'clock P. M., the Viceroy and Governor General received the Talookdars and Chief Landholders of Oudh, to the number of one hundred and eighty, in the Lall Baradurree at Lucknow.

After the Talookdars, the Civil and Military Officers of the Station, and the others who were invited to attend had assembled and taken the places allotted to them, the Viceroy and Governor General accompanied by his Staff entered the Durbar and took his seat on the throne under a Royal Salute.

When Salute was over the Talookdars were presented one by one to the Governor General and offered Nuzzers which were touched and remitted.

Maharaja Maun Sigh, on behalf of the Talookdars, then presented an address in English and Hindoostani to the Governor General, together with a copy of certain Resolutions arrived at by the Talookdars relative to the suppression of Female Infanticide in Oudh.

The English address, which was as follows, was read aloud by the Secretary :—

"TO THE RIGHT HONORABLE CHARLES JOHN EARL CANNING, VICEROY AND GOVERNOR GENERAL OF INDIA.

"MY LORD,—Owing to the misrule of former Dynasties which swayed the sceptre of Hindoostan, many pernicious and sinful practices got into vogue, that are disapproved by reason and condemned by justice and humanity. Among these practices Female Infanticide is one which long disgraced the annals of this land. Though, my Lord, we the undersigned had long been aware of the heinousness of this crime, the baneful effects resulting therefrom, and the sinful light in which it is held by religion, yet owing to the unsettled state of the rule we lived under, and the constant apprehension we entertained for the safety of our life and property, we had not leisure, my Lord, to devise plans for its prevention.

"Now that it has pleased God to entrust the destinies of Oudh into the hands of Her Most Gracious Majesty Queen Victoria, and that our life, properties, and liberty are guaranteed to us by British Laws, we, the undersigned Talookdars, &c., of this Province, have had time to devote our thoughts towards the removal of evil usages, and towards other matters appertaining to our social and moral improvement, and, at a General Meeting of our Association, entitled the British Indian Association of Oudh, held in this City on the 30th ultimo, we unanimously passed a Resolution to the effect, that every Talookdar should take a solemn covenant from his tenants, binding themselves never to commit or countenance, directly or indirectly, Female Infanticide, in any wise whatever, and that in the event of any one violating the covenant, be his rank or condition in life what it may, he shall forthwith be handed over to the laws and excommunicated for ever from the pale of Hindoo Society as a felon and outlaw.

"That to give effect, my Lord, to this Resolution, we passed others, of which we submitted an English translation to the Chief Commissioner, with a request that he would lay it before your Lordship.

"As this, my Lord, is probably the last Durbar that your Lordship, the kind Benefactor of Hindoostan, will hold in Oudh, we respectfully approach your Excellency with these lines to bring to your Lordship's notice the glad tidings that the just and clement policy of your Excellency's administration has among others borne this fruit, which we beg to present to your Excellency, the worthy and noble representative of our adored Sovereign.

"May health and prosperity attend your Excellency wherever choice and circumstances may lead your steps, and rest assured, my Lord, that when we say, may God bless you, our honored and beloved Viceroy, we simply give expression to our hearts' impulse.

"We have the honor to be,

"MY LORD,

"Your Lordship's most obedient Servants,

&c., &c."

LUCKNOW,
*The November* 1861.

Maharaja Maun Sing then read the Hindoostani version.

The Viceroy and Governor General replied to the address of the Talookdars in the following words :—

"TALOOKDARS,—I receive your address with much pleasure. The object to which it is directed, and the spirit of loyalty and of respect for the Law which pervades it, are very creditable to you.

"The measures which you propose to take for the suppression of Female Infanticide have been laid before me. I approve of them generally, and on the few unimportant points in which modifications may be desirable, the Chief Commissioner will convey to you the views of the Government.

"You have yourselves denounced this crime of Infanticide in words to which I have little to add. Suffice it to say that it is Murder of the blackest dye, the destruction of innocent helpless life prompted by the most cold-blooded and wordly motives, and a destruction so monstrous and unnatural in those who prepetrate it, that the very beasts of the jungle forbear from it.

"This being so, I must warn you against supposing that, in accepting from you an aid which is beside and beyond the Law, there is any compromise on the part of the Government with so hateful a crime. Your aid in searching out the criminals will be most valuable, and your proposal to bring to the support of the Law the severe punishment by social excommunication of those who abet the crime is accepted, because the crime is one which too often baffles detection ;—because it has its root in false social prejudices, which you better than any men can combat ;—because it is done in the dark, in the privacy of domestic life,—and, I grieve to add, not without the acquiescence and connivance of some influential classes of the Community. All means are good against such a crime, and I cordially welcome your assistance. But be assured that if the result of your efforts should not equal your expectations, or if it should be tardy in showing itself, the Law will not be allowed to sleep, but will be enforced to the utmost power of the Government, regardless of everything but the utter suppression of the abomination.

"Talookdars, you have spoken of this spontaneous action on your part against a hidden national crime which lurks amongst your fellow countrymen, as one of the fruits of the justice and forbearance with which you have been treated. I accept it as such. I have told you before, when I did not expect to visit your country again, what are my aspirations and hopes for Oude; I have told you that I never doubted that a generous rule would make a dutiful people; I will not further repeat what I have once said. But I heartily accept and return your kindly farewell, and I cannot better repay your good wishes than by exhorting you to continue in the path of loyalty to your Queen and of duty to the Law in which it is my pride to leave you.

"One word more. It is very desirable that intercourse between the Talookdars of Oude and the Local Government should be facilitated; you will derive benefit from the wise and friendly councils of the Chief Commissioner, and he will have advantage in frequent communication with you. I have therefore authorized Mr. Yule to make over to you, for your accommodation in visiting the Capital, the Palace of the Kaisur Bagh, if you should desire to avail yourselves of it."

A Hindoostani translation of the Governor General's address was then read aloud by the Secretary.

After the usual concluding ceremonies, the Viceroy and Governor General left the Durbar under a Royal Salute.

The Board, however, reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

The following are the Conditions of Sale :—

1*st*.—The Opium will be sold for exportation by Sea only, and no Certificate will be granted except to cover such Export.

2*nd*.—The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3*rd*.—The Sale shall commence at the hour of 11 A. M. of the day fixed by previous Notification, and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M. and so on, until the whole of the remaining lots are disposed of, or, if the whole quantity advertised shall not be sold on the day appointed, the Board may dispose of the lots which remain on hand at a future Sale.

4*th*.—Each lot shall contain five Chests.

5*th*.—A Promissory Note for a sum calculated according to the scale noted in the margin shall be taken as a deposit on each lot from the Purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock in the afternoon of the fifth day after the Sale, or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses whatsoever, attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

| When the amount bid is less than Rs. 1,200 per Chest ... | *Deposit.* Rs. 200 per Chest. |
|---|---|
| On bids of Rs. 1,200, but less than Rs. 1,600 ... | „ 300 „ „ |
| Ditto of Rs. 1,600, but less than Rs. 2,000 ... | „ 400 „ „ |

And so on, Rs. 100 being added to the Deposit for every additional Rupees 400 bid.

6*th*.—The Promissory Notes taken on the day of Sale under the last mentioned Condition, if remaining unredeemed at 4 o'clock of the fifth day following the day of Sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7*th*.—No tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed Deposit may not have been made before 4 o'clock of the fifth day following the day of Sale, will be afterwards accepted.

8*th*.—The Opium now advertized for sale shall be paid for within fifteen clear days from the day of Sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit made under the fifth Condition, or any Public Securities that may have been deposited on account of such lots or Chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9*th*.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order; and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10*th*.—No deposit of Public Securities under the fifth of the present Conditions will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when payment in full has been made by the said Purchaser or his order.

11*th*.—The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a Deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or Government Securities a sum equal to the amount, for which a Promissory Note would otherwise be taken under the fifth of these Conditions.

12*th*.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is

hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot, after it has been offered for sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always, that no lot shall be sold below the minimum price of 400 Rupees specified in the second of these Conditions.

13*th*.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions any number of lots of the same Agency Opium not exceeding altogether twenty-five lots; provided always, that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14*th*.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15*th*.—The following papers, together with samples of the Opium for sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1.—Certificate of the Opium advertized for Sale.

No. 2.—Report of the examination of such Opium.

16*th*.—The Public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1860-61, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.* two of the season's provision under sale and two of the previous season will bealso shown to the purchasers in the Sale Rooms on the day of Sale, to enable them to judge of the state of preservation of the drug in the Chests offered for sale.

17*th*.—Any further information respecting weight or quality of the Opium advertized for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but, in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18*th*.—It is hereby further notified, that, under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium declared as above for sale at the twelve Sales of the year 1862, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisitions specifying the quantity of Opium required by them at any particular Sale within thirty days from the advertisement of such intended Sale, provided, however, that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this Notification. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 29,360 Chests of Behar and Benares as above estimated will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

No. 8.

BENARES, NOVEMBER 7, 1861.

*Notification.*—This day at 12 o'clock the Viceroy and Governor General received a Deputation of the Inhabitants of the City of Benares at the residence of the Commissioner of the Division.

The Chief Civil and Military Officers of the Station and a Guard of Honor of Her Majesty's 19th Regiment were present.

The Deputation consisted of Rajah Deo Narain Sing, Baboo Fateh Narain, Baboo Huruk Chand, Rai Narain Doss, Baboo Gooroo Doss, and the chief persons of the City, to the number of one thousand.

The Deputation was headed by the Maharaja of Benares, who read and presented to His Excellency the following address :—

"MAY IT PLEASE YOUR EXCELLENCY,

"We, the Maharaja, Rajas, Rais, Baboos, and others, Inhabitants of this most ancient City of Benares, beg most humbly to approach your Excellency on this the last occasion on which you will visit this place, to express to you our deep and heartfelt sentiments of respect and attachment. It is not merely with the view of shewing the loyalty and devotion which we deeply feel towards our Gracious Queen, of whom your Excellency is the august representative, that we now approach you, but because we feel that we have a duty to perform towards your Lordship personally, even to express our feelings of reverence and affection for the just, merciful, and benevolent Ruler of our Country at a fearful crisis in its history. Your Excellency, instead of assuming at that time the character of an avenger, which, we confess, we might have justly expected, causing blood to flow even as water in retribution of the fierce and bloody deeds of some of our countrymen, and, unlike previous Conquerors in the History of India, who, with fearless provocation, carried fire and slaughter through its length and breadth, remembered, in the time of victory and in the plenitude of restored power, that you were the representative of a Christian Government, and extended a merciful and unhoped-for clemency to those who might have looked for extermination; while at the same time your Excellency fully vindicated the Majesty of outraged law, and upheld the honor and the dignity of the Government confided to your care.

"But our sentiments of attachment and reverence to your Excellency are enhanced and deepened by the reflection that not only you abstained from just vengeance in the hour of triumph, but have been the means of soothing and tranquillizing the anxious and fearful minds and hearts of millions of Her Majesty's Indian subjects by conveying to them our Most Gracious Queen's beneficent sentiments towards this country, and the assurance that Her Majesty will maintain, protect, and watch over the interests and rights of Her people in India even as She does those of Great Britain; and your Excellency has already given to this country full and ample proof of the reality of those gracious assurances by bestowing upon, and confirming, in Her Majesty's name, to the Chiefs of Hindoostan, the deeply cherished right of adoption. Your Excellency has thus proved to the World that Her Majesty the Queen, whose Dominions extend from Ocean to Ocean, and on which the Sun ever remains shining, seeks no territorial acquisition, but desires that the Chiefs and Ancient Houses of India, and their descendants after them, should continue to enjoy from generation to generation their hereditary honors and ancestral possessions, which to them and their people are dearer than life.

"Your Excellency has given us further deep cause for gratitude in carrying out the desire of Her Most Gracious Majesty that the exercise of Magisterial power, and a share in the administration of their native country, should be conferred on such individuals whose influence, position, and personal character and services to the State seemed to render them deserving of this high and invaluable privilege.

"We are thankful that your Excellency has been preserved in health and strength to achieve such great important objects, having not only extinguished rebellion and restored order and good Government; but, by your mild, judicious, and generous measures, having also rooted that government deeply and permanently in the hearts and affections of the people of India, you now leave them loaded with their blessings, and carrying away their enduring gratitude; and, in wishing and praying that your Excellency may reach your native land in safety and live long to enjoy the well-earned honors and rewards bestowed upon you by your Sovereign, we beg to assure your Excellency that your name and the remembrance of your wise and benevolent Rule will ever live in the grateful memories and affection of ourselves and of our children to distant generations.

"We now, with the deepest respect and gratitude, bid you farewell."

The Governor General upon receiving the address replied as follows:—

"MAHARAJA, RAJAS, BABOOS, RAIS, AND GENTLEMEN OF BENARES,

"I am glad to have this last opportunity of visiting Benares, and of receiving your loyal address.

"You have designated your City as most ancient. You might have said that, in addition to its antiquity, it is one of the most populous and wealthy of India;—that it is the ancient seat of Hindoo learning, and is held very sacred in your religion;—and that its chief inhabitants are amongst the most influential of the Queen's subjects in Hindoostan.

"The opinions and feelings of such a community must always be matter of special interest and importance to the ruling power in India.

"I thank you for the good spirit in which those opinions and feelings have been expressed.

"I am glad to find that, being yourselves of another religion, you do not hesitate to recognize that mercy is the duty, pre-eminently, of a Christian Government, and that the Government of India has fulfilled that duty.

"I am glad to find that you feel that you are governed with truth as well as with mercy, and I hear with pleasure your free acknowledgment that you have had ample proof that the assurances which you received from the Throne of protection to your rights and interests are a reality.

"You are right in supposing that the Crown of England seeks no further territorial acquisitions in India. Obedience to the Law and fidelity to engagements the Government expects, and will enforce. But England's task in governing India is already large and weighty enough.

"The happiness and contentment of the one hundred and eighty millions of India's own people, and their attachment to the British Crown, are the first great objects in that task. These are the one broad lease upon which all individuals' prosperity and security must rest, and without which any man, be he my fellow countryman or yours, who seeks by his enterprise or capital to build up his fortune in India, will be building on a quicksand.

"The contentment and attachment of which I speak can be secured only by a scrupulous abstinence from interference with religion;—by a careful protection of all established rights of property, tenures, and interests;—and by an impartial framing and an impartial administration of the Laws.

"The task is, as I have said, a large and weighty one; but I see many signs that it is in course of accomplishment, and the spirit in which the City of Benares has to-day addressed the representative of the Queen is not amongst the least of these.

"Maharaja, Rajas, Baboos, Rais, and Gentlemen of Benares, for your good wishes and kind expressions towards myself, I thank you sincerely, and I bid you very heartily farewell."

H[illegible]cellency then took leave of the Native Ge[illegible] assembled, and, after receiving the Ma[illegible]a of Benares in a private audience, left the S[illegible]ation under the usual Salute.

---

*No.* 1046 *of* 1861.—Third Grade Sub-Assistant Surgeon Bhoobun Mohun Chatterjee, recently appointed to the charge of the Nagpore City Hospital, is permitted to resign the Service.

*No.* 1047 *of* 1861.—His Excellency the Governor General in Council directs the publication of the subjoined Questions on subjects of general interest, and the Answers given by Government in continuation of those published in Government General Order No. 913 of the 11th October 1861 :—

*Question* 124.—When an Officer of the Staff Corps is placed on the out-of-India rate of pay or on the half-pay List, is he permitted to reside out of India; and if so, will the time so passed count for pension under paragraph 65, *viz.*, two years for one, or year for year?

*Answer* 124.—Officers on half-pay or on out-of-India rate of pay can reside out of India; but no half-pay service reckons towards pension. Officers out of employ and available for employment will not be put on out-of-India pay.

Paragraph 98.

*Question* 125.—Is residence in India compulsory on an Officer who is unemployed and on half-pay under paragraph 98?

*Answer* 125.—Residence in India is not compulsory on an Officer put on half-pay. Such Officer can reside where he likes, notifying his place of residence to Government.

*Question* 126.—With reference to General Orders No. 332, paragraphs 46 to 48, and No. 807 of 1861, paragraphs 16 to 21, will Colonels (Regimentally or by Brevet) of the Indian Regiments of Artillery and Engineers continue as heretofore to rise to vacancies in the grades of General Officers according to their position in the Gradation List of Officers of the three Presidencies?

*Answer* 126.—Yes.

*Question* 127.—Will the name of a Regimental Lieutenant-Colonel, accepting the retiring annuity, be retained in the Gradation List of Officers of the three Presidencies, as well as in the list of Regimental Lieutenant-Colonels; and if so, how will the promotion to the grade of General Officer be regulated on his name coming to the top of the list of Colonels and a vacancy taking place in the grade of General Officers?

*Answer*. 127.—No; an Officer so retiring no longer belongs to the effective branch of the Service, though his name is retained in Italics in the particular list to which he belonged, to regulate the promotion of those who stood below him in that List. The retired Officer will obtain a step of Honorary Rank, and will have no claim to further Line promotion.

*Question* 128.—With reference to the decision* of the Secretary of State for India, that the new Furlough Regulations shall not have retrospective effect in the case of Officers brought upon them by admission to the Staff Corps,—an Officer enquires whether a similar ruling will be made in the case of Officers who accepted the said Regulations previous to their admission to the Staff Corps?

* Observations on Answer 56, *see* Government General Order No. 799 of 1861, page 7.

*Answer* 128.—The Rule laid down by the Secretary of State applies only to Officers who, up to the date of joining the Staff Corps, had not availed themselves of the advantages of the new Furlough Rules;—not having enjoyed the advantages of the Rules they are exempted from the disadvantages.

*Question* 129.—With reference to Her Majesty's Royal Warrant, dated 16th January 1861, instituting the Staff Corps, Clause 2, paragraph 2, and to the Right Hon'ble the Secretary of State's Despatch, No. 315, dated 9th August 1861, paragraph 1, published in Government General Order No. 824, dated 17th September 1861, in which the effect of leave of absence (either on Sick Certificate or private affairs) on promotion in the Staff Corps is defined, *viz.*, "that leave of absence will reckon as part of the period of the General Service required for promotion," provided the full term of Staff duty has been performed,—an Officer states that the answer given by Government to Question 114, published in Government General Order No. 913, dated 11th October 1861, is apparently at variance with the above Despatch; and it appears that "no leave except privilege leave is to reckon towards promotion, except in the case of Lieutenant-Colonels?"

*Answer* 129.—The answer is not necessarily at variance with the Despatch. It was intended by the Answer to Question 114 that no leave except privilege leave is allowed to reckon in the period of Staff Service required towards promotion, except in the case of Lieutenant-Colonels.

The Board, however, reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

The following are the Conditions of Sale:—

*1st.*—The Opium will be sold for exportation by Sea only, and no Certificate will be granted except to cover such Export.

*2nd.*—The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

*3rd.*—The Sale shall commence at the hour of 11 A. M. of the day fixed by previous Notification, and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M. and so on, until the whole of the remaining lots are disposed of, or, if the whole quantity advertised shall not be sold on the day appointed, the Board may dispose of the lots which remain on hand at a future Sale.

*4th.*—Each lot shall contain five Chests.

*5th.*—A Promissory Note for a sum calculated according to the scale noted in the margin shall be taken as a deposit on each lot from the Purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock in the afternoon of the fifth day after the Sale; or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

| When the amount bid | *Deposit.* |
|---|---|
| is less than Rs. 1,200 per Chest | ... Rs. 200 per Chest. |
| On bids of Rs. 1,200, but less than Rs. 1,600 | ... „ 300 „ „ |
| Ditto of Rs. 1,600, but less than Rs. 2,000 | ... „ 400 „ „ |

And so on, Rs. 100 being added to the Deposit for every additional Rupees 400 bid.

*6th.*—The Promissory Notes taken on the day of Sale under the last mentioned Condition if remaining unredeemed at 4 o'clock of the fifth day following the day of Sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

*7th.*—No tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed Deposit may not have been made before 4 o'clock of the fifth day following the day of Sale, will be afterwards accepted.

*8th.*—The Opium now advertized for sale shall be paid for within fifteen clear days from the day of Sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit made under the fifth Condition, or any Public Securities that may have been deposited on account of such lots or Chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

*9th.*—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each Certificate or Order; and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

*10th.*—No deposit of Public Securities under the fifth of the present Conditions will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when payment in full has been made by the said Purchaser or his order.

*11th.*—The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a Deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or Government Securities a sum equal to the amount, for which a Promissory Note would otherwise be taken under the fifth of these Conditions.

*12th.*—With a view to prevent fictitious biddings designed to obstruct the Sale, it is

hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot, after it has been offered for sale in the mode here described, shall be held and declared to be the Purchaser of the said lot; and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always, that no lot shall be sold below the minimum price of 400 Rupees specified in the second of these Conditions.

13*th*.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions any number of lots of the same Agency Opium not exceeding altogether twenty-five lots; provided always, that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14*th*.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15*th*.—The following papers, together with samples of the Opium for sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1.—Certificate of the Opium advertized for Sale.

No. 2.—Report of the examination of such Opium.

16*th*.—The Public are hereby informed that, in providing the investment of the Behar and Benares Opium for the year 1860-61, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provision under sale, and two of the previous season, will be also shown to the Purchasers in the Sale Rooms on the day of Sale, to enable them to judge of the state of preservation of the drug in the Chests offered for sale.

17*th*.—Any further information respecting weight or quality of the Opium advertized for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue; but, in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18*th*.—It is hereby further notified, that, under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that, out of the quantities of Behar and Benares Opium declared as above for sale at the twelve Sales of the year 1862, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisitions specifying the quantity of Opium required by them at any particular Sale within thirty days from the advertisement of such intended Sale, provided, however, that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this Notification. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 29,360 Chests of Behar and Benares as above estimated will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

## MILITARY DEPARTMENT.

*Fort William, the 19th November* 1861.

*No.* 1048 *of* 1861.—His Excellency the Commander-in-Chief has brought to the notice of the Government of India letters dated respectively the 11th, 12th and 14th of October last, addressed to the Deputy Adjutant General of the Army, by Captain P. Maxwell, Deputy Commissioner in the Punjab, Lieutenant J. W. Orchard, Deputy Superintendent of Police, and Lieutenant R. T. Hare, Assistant Commissioner in the Punjaub, in which, under cover of expressions of respect and subordination, these Officers have ventured to use terms manifesting their disapprobation of the recent decision of Her Majesty's Government, that Officers joining the Staff Corps shall not be entitled to retire under the Regulation of 1796, in respect of any promotion obtained by such Officers in the Staff Corps.

These letters were all written from Goojerat, and their tenor appears to indicate that they were written by the Officers named in concert with each other.

The Governor-General in Council entirely concurs in the opinion which the Commander-in-Chief has expressed, "that these Officers might have perfectly well made any complaint of the decision in question, without, at the same time, expressing what is virtually a disapprobation of a measure of Her Majesty's Secretary of State for India."

In order to mark with due reprehension conduct so subversive of discipline, the Governor-General in Council hereby cancels the admission of Lieutenant Hare to the Staff Corps, and will not comply with the application of Captain Maxwell and Lieutenant Orchard for admission to that Corps.

*No.* 1059 *of* 1861.—His Excellency the Governor General in Council directs the publication for general information of the subjoined Questions submitted by an Officer in England connected with the late changes in the Indian Army and the Answers given thereto by the Right Hon'ble the Secretary of State for India :—

| QUESTION. | ANSWER. |
|---|---|
| An Officer asks how Officers of the rank of Lieutenant-Colonel will be affected by the Staff Corps Warrant and the Promotion Warrant of October 1858. He appears to be under the impression that he can join the Staff Corps as a Lieutenant-Colonel.<br>Also, looking to the restriction of the grant of the rank of Colonel to Lieutenant-Colonels employed in certain positions by the Promotion Warrant, whether, as respects Lieutenant-Colonels joining the Staff Corps, there is any restriction as to the nature of the service they must be employed in, whether Civil or Military. It is presumed that all service performed in the Staff Corps by Lieutenant-Colonels, in whatever position, will count towards the qualifying period for the rank of Colonel, and that substantive Lieutenant-Colonels will become Colonels after five years' service, and Brevet Lieutenant-Colonels for service in the field after eight years' service in the Staff Corps as such. | 1. That an Officer promoted to the rank of Lieutenant-Colonel for distinguished service will be entitled, after serving eight years in the Staff Corps, to be promoted to the rank of Colonel, under the provision of the 10th Clause of the Warrant of 1st October 1858.<br>2. That promotion in the Staff Corps, under the Royal Warrant of January 16th, 1861, is entirely distinct from that under any other Warrant, and takes no cognizance of Brevet rank under that of Colonel. |

The following letter from the Secretary to the Government of India, in the Financial Department, is published for the information of all Officers concerned :—

No. 12094.

FROM

SECRETARY TO THE GOVERNMENT OF INDIA, FINANCIAL DEPARTMENT,

TO THE CHIEF SECRETARY TO THE GOVERNMENT OF BOMBAY.

SIR,—WITH advertence to the enquiry made in His Excellency Sir George Clerk's Telegram of the 20th ultimo, as to whether Section 2 of Act XVIII. of 1861 applies to menial Servants, common unskilled Labourers, Priests, whether Christian, Mohomedan, Parsee, or Hindoo, Clerks and Carkoons, Arabs and others not permanent residents in Bombay, Aden, and elsewhere, but visiting those places for short periods for purposes of traffic, I am directed by His Excellency the Governor General in Council to intimate, in reply, that the Bombay Government should decide what classes are liable to pay License Tax, and refer doubtful cases with reasons for or against taxation to the Supreme Government for decision.

2. The Act, I am to point out, taxes any "Art, Trade or *Dealing*." The last term was advisedly used instead of "Calling." This definition therefore exempts most, but not all of menial Servants, unskilled Labourers, and Priests.

3. For those included in the definition, the only general ground of exemption is inability to pay under Section III.

4. If it is desired that any discretion should be exercised, it may be done under Section XIV, and the Rules submitted* should be framed accordingly.

* *Vide* my letter dated the 9th ultimo.

5. The taxation of mere Sojourners will, His Excellency in Council observes, be legal under the terms used in the Schedule, *viz.*, "for any period between the 1st August in one year and the 1st August in the succeeding year" But this expression cannot, in the Governor General's opinion, be intended to exclude discretion, and the Rules under Section XIV should be framed accordingly.

I have, &c.,

The Board, however, reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

The following are the Conditions of Sale:—

1*st*.—The Opium will be sold for exportation by Sea only, and no Certificate will be granted except to cover such Export.

2*nd*.—The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3*rd*.—The Sale shall commence at the hour of 11 A. M. of the day fixed by previous Notification, and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M. and so on, until the whole of the remaining lots are disposed of, or, if the whole quantity advertised shall not be sold on the day appointed, the Board may dispose of the lots which remain on hand at a future Sale.

4*th*.—Each lot shall contain five Chests.

5*th*.—A Promissory Note for a sum calculated according to the scale noted in the margin shall be taken as a deposit on each lot from the Purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock in the afternoon of the fifth day after the Sale; or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

| | *Deposit.* |
|---|---|
| When the amount bid is less than Rs. 1,200 per Chest ... | Rs. 200 per Chest. |
| On bids of Rs. 1,200, but less than Rs. 1,600 ... | „ 300 „ „ |
| Ditto of Rs. 1,600, but less than Rs. 2,000 ... | „ 400 „ „ |
| And so on, Rs. 100 being added to the Deposit for every additional Rupees 400 bid. | |

6*th*.—The Promissory Notes taken on the day of Sale under the last mentioned Condition if remaining unredeemed at 4 o'clock of the fifth day following the day of Sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7*th*.—No tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed Deposit may not have been made before 4 o'clock of the fifth day following the day of Sale, will be afterwards accepted.

8*th*.—The Opium now advertized for sale shall be paid for within fifteen clear days from the day of Sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit made under the fifth Condition, or any Public Securities that may have been deposited on account of such lots or Chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9*th*.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each Certificate or Order; and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10*th*.—No deposit of Public Securities under the fifth of the present Conditions will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when payment in full has been made by the said Purchaser or his order.

11*th*.—The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a Deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or Government Securities a sum equal to the amount, for which a Promissory Note would otherwise be taken under the fifth of these Conditions.

12*th*.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is

hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot, after it has been offered for sale in the mode here described, shall be held and declared to be the Purchaser of the said lot; and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always, that no lot shall be sold below the minimum price of 400 Rupees specified in the second of these Conditions.

13*th*.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions any number of lots of the same Agency Opium not exceeding altogether twenty-five lots; provided always, that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14*th*.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15*th*.—The following papers, together with samples of the Opium for sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1.—Certificate of the Opium advertized for Sale.

No. 2.—Report of the examination of such Opium.

16*th*.—The Public are hereby informed that, in providing the investment of the Behar and Benares Opium for the year 1860-61, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provision under sale, and two of the previous season, will be also shown to the Purchasers in the Sale Rooms on the day of Sale, to enable them to judge of the state of preservation of the drug in the Chests offered for sale.

17*th*.—Any further information respecting weight or quality of the Opium advertized for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue; but, in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18*th*.—It is hereby further notified, that, under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that, out of the quantities of Behar and Benares Opium declared as above for sale at the twelve Sales of the year 1862, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisitions specifying the quantity of Opium required by them at any particular Sale within thirty days from the advertisement of such intended Sale, provided, however, that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this Notification. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 29,360 Chests of Behar and Benares as above estimated will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

The Board, however, reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

The following are the Conditions of Sale :—

1*st*.—The Opium will be sold for exportation by Sea only, and no Certificate will be granted except to cover such Export.

2*nd*.—The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3*rd*.—The Sale shall commence at the hour of 11 A. M. of the day fixed by previous Notification, and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or, if the whole quantity advertised shall not be sold on the day appointed, the Board may dispose of the lots which remain on hand at a future Sale.

4*th*.—Each lot shall contain five Chests.

5*th*.—A Promissory Note for a sum calculated according to the scale noted in the margin shall be taken as a deposit on each lot from the Purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock in the afternoon of the fifth day after the Sale ; or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

| When the amount bid is less than Rs. 1,200 per Chest | *Deposit.* Rs. 200 per Chest. |
|---|---|
| On bids of Rs. 1,200, but less than Rs. 1,600 | „ 300 „ „ |
| Ditto of Rs. 1,600, but less than Rs. 2,000 | „ 400 „ „ |
| And so on, Rs. 100 being added to the Deposit for every additional Rupees 400 bid. | |

6*th*.—The Promissory Notes taken on the day of Sale under the last mentioned Condition if remaining unredeemed at 4 o'clock of the fifth day following the day of Sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7*th*.—No tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed Deposit may not have been made before 4 o'clock of the fifth day following the day of Sale, will be afterwards accepted.

8*th*.—The Opium now advertized for sale shall be paid for within fifteen clear days from the day of Sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit made under the fifth Condition, or any Public Securities that may have been deposited on account of such lots or Chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9*th*.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each Certificate or Order; and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10*th*.—No deposit of Public Securities under the fifth of the present Conditions will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when payment in full has been made by the said Purchaser or his order.

11*th*.—The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a Deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or Government Securities a sum equal to the amount, for which a Promissory Note would otherwise be taken under the fifth of these Conditions.

12*th*.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is

hereby notified that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot, after it has been offered for sale in the mode here described, shall be held and declared to be the Purchaser of the said lot; and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees specified in the second of these Conditions.

13*th*.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency Opium not exceeding altogether twenty-five lots; provided always, that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14*th*.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15*th*.—The following papers, together with samples of the Opium for sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1.—Certificate of the Opium advertized for Sale.

No. 2.—Report of the examination of such Opium.

16*th*.—The Public are hereby informed that, in providing the investment of the Behar and Benares Opium for the year 1860-61, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provision under sale, and two of the previous season, will be also shown to the Purchasers in the Sale Rooms on the day of Sale, to enable them to judge of the state of preservation of the drug in the Chests offered for sale.

17*th*.—Any further information respecting weight or quality of the Opium advertized for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue; but, in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18*th*.—It is hereby further notified, that, under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that, out of the quantities of Behar and Benares Opium declared as above for sale at the twelve Sales of the year 1862, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisitions specifying the quantity of Opium required by them at any particular Sale within thirty days from the advertisement of such intended Sale; provided, however, that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this Notification. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 29,360 Chests of Behar and Benares, as above estimated, will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.
